

Welcome to the 2026 Nonprofit Excellence Academy

In 2024, the Community Foundation for Ocala/Marion County launched the *Nonprofit Excellence Academy* through its Nonprofit Resource Center to strengthen and support the growing network of nonprofits across Marion County and beyond. With our community's rapid population growth and the increasing demand for human services, the Academy was created to meet the evolving needs of local nonprofit organizations.

We are proud to announce the 2026 Nonprofit Excellence Academy! Based on valuable feedback from past Academy participants, we will be featuring one dynamic course each month designed to enhance leadership skills and provide practical tools drawn from the *Roadmap to Success*. Additionally, select courses will be offered virtually, providing greater accessibility and flexibility for busy nonprofit professionals. This year's sessions will focus on helping nonprofits operate with the efficiency and strategy of a business while staying true to their mission-driven purpose.
